1. Mehdi Bennouna, prominent leader and unofficial diplomatic representative of the Islah Party, is still planning to travel to France during the current meeting of the United Nations General Assembly. He has said, however, that his activities in Paris will be quiet and not embarrassing to the French Government.
2. In return, Jean Albert Grapinet, French Controller of Sherifian Affairs at the Mendoubia, Tangier, has consented to issue Bennouna a new passport in lieu of the one which was withdrawn several months ago.
